Immigration for HKG

Hong Kong has long had a relaxed and easy immigration policy, Based on the past British rule of Hong Kong, the common law has been used to this day, It has made it easier for foreigners of different generations to enter and settle down in Hong Kong than anywhere else. Long drive this bright pearl of the Orient in the global positioning and competitiveness - In the past 100 years of evolution and witness - known as the world's most competitive,free city. Hovering in the top three for a long time.
The "humanized/ simplified procedure" immigration policy which was a golden key to open the door of Hong Kong with the convenience legal basis, in addition to the deep-rooted common law, international law and the Basic law since 1997, absolutely guaranteed that any application file is analyzed with the most comprehensive legal writing - The balancing of human rights and laws.
Furthermore, the Hong Kong Immigration Department has adopted the "discretion", Often in individual application files, different background, cause, analysis, force majeure factors, etc to considerate the discretionary decision that given to the applicants.

Upon our previous 20 years working for visa/ residence/ citizenship by investment. We dare say that the Hong Kong Immigration Department is the most professional, humane and courteous representative of the Government services in the world.
After 1997, we have seen that the threshold for Chinese applicants has been opened wider and wider. Thus, the policy of "Capital Entry Plan / Talent Entry / Entry to Hong Kong for Tertiary Education" was introduce. It offers many preferential policies for applicants who meet the standards and wish to come to Hong Kong.

The Hong Kong Government hopes to bring in talented mainland students, businessmen and IT professionals to strive for the future and inject more diversified dynamic elements - For the city to continue shining.

We point out here that only by understanding the immigration laws and regulations that belong to your definitive application can be 100% guaranteed.

Need any inquiries, legal analysis: feel free to contact us. Let us give you the most suitable advice, correct materials on your application, time frame etc, then final determine or compare with other peers. What is called: **We can't fake it**

[Gain Source Group] - Over 20 years experience in global immigration duties, cases integrate/ regulations/ model/ full tracking and follow up tactics, giving you a most responsible and ability to solve any in-correct or mistake, we also provides different options to led you move on a most suitable & correct application plan.

Thank you for your time

The concept for citizenship by investment

Generally, There have two options for worldwide market

1. Simple & fast track offer - 3-6 months
Countries zone: Caribbean / Pacific area/ Turkey ...etc.

2. By general immigration authorities demand. - staying time 5-7years
Except the above fast offer, most of the countries follow the general immigration law, standard on 5-7years pending period to finalized the PR & passport issued.

Other options:

Most of visa purpose for Working / Studying & Married. Simple & Easy document arrangement to get the resident status and on going for future 5-7 years plan and further apply the citizenship: Most of the countries provides such common immigration law to welcome all foreigners if the files keeping in good standard for the above same period and mostly living there as second home manner that government definitely welcome for such application.

Therefore, our recommend & advise that before your immigration plan, take it

Please feel free to contact us:
Lets us studying your aim, idea and interest to provides most suitable options for you & family.
Thanks!
