

SUNRISE HILLS VILLAS
Your Caribbean Home.

Sunrise Hills Villas are reflective of true Kittitian architectural designs, coupled with a modern thrust.

* Ship lap siding.

* Pitched roof vented to cool the main interior spaces.

* Cross ventilation through main spaces facilitated by tall double doors, which open onto verandahs and porches.

* Solid stone base creates a look of stability, while its natural earthy tones blend beautifully with the landscaping.

These affordable Villas of high standards make living carefree. Lounge on your verandah and enjoy the Sunrise and Sunset views or Moonlit nights, while being soothed by the fresh air from the Atlantic Ocean, Caribbean Sea, or the Mountain. Friendly neighbours, a peaceful community, plus a clean and sunny island, this is truly seventh heaven!

The Area

Nestled among lush vegetation and tropical landscaping on a hillside at Half Moon Bay, are the Sunrise Hills Villas. These exclusive properties are perched atop 8.4 acres of scenic, tropical land, overlooking the Royal St. Kitts 18-hole Golf Course. They are designed to provide the perfect haven for those yearning for sunshine, unspoiled natural beauty, and the unpretentious ambiance of St. Kitts, the "Sugar City" Island.

With a panoramic view of the internationally acclaimed Royal St. Kitts Marriott and Casino, cradled between the Atlantic Ocean and the Caribbean Sea, and a picturesque hillside on the northern side, Sunrise Hills Villas offer a laid back world of its own. Ideally situated, meticulously crafted, thoughtfully appointed, charmingly traditional, and lavishly comfortable, it's called home!
